

Product datasheet

LY 310762 hydrochloride ab120524

Overview

Product name	LY 310762 hydrochloride
Description	Potent, 5-HT _{1D} antagonist
Biological description	Potent, 5-HT _{1D} receptor preferring antagonist (K _i values are ~100 and 32 nM at 5-HT _{1D} and 5-HT _{1B} receptors, respectively). Potentiates extracellular 5-HT concentrations (EC ₅₀ = 31 nM as measured by increase in [³ H]5-HT outflow from cortical slices).
Purity	> 99%

Properties

Chemical name 1-[2-[4-(4-Fluorobenzoyl)-1-piperidiny]ethyl]-1,3-dihydro-3,3-dimethyl-2H-indol-2-one hydrochloride

Molecular weight 430.95

Chemical structure

Molecular formula C₂₄H₂₇FN₂O₂.HCl

CAS Number 192927-92-7

Storage instructions Store at Room Temperature. Store under desiccating conditions. The product can be stored for up to 12 months.

Solubility overview Soluble in water to 10 mM and in DMSO to 50 mM

Handling Wherever possible, you should prepare and use solutions on the same day. However, if you need to make up stock solutions in advance, we recommend that you store the solution as aliquots in tightly sealed vials at -20°C. Generally, these will be useable for up to one month. Before use, and prior to opening the vial we recommend that you allow your product to equilibrate to room temperature for at least 1 hour.

Need more advice on solubility, usage and handling? Please visit our [frequently asked questions \(FAQ\) page](#) for more details.

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours

- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <http://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
- Abcam biochemicals are novel compounds and we have not tested their biological activity in house. Please use the literature to identify how to use these products effectively. If you require further assistance please contact the scientific support team
