

Product datasheet

Recombinant Hantavirus Dobrava, strain Slovenia, nucleocapsid protein ab74556

1 Image

Overview

Product name Recombinant Hantavirus Dobrava, strain Slovenia, nucleocapsid protein
Protein length Full length protein

Description

Nature Recombinant
Source Saccharomyces cerevisiae

Specifications

Our [Abpromise guarantee](#) covers the use of **ab74556** in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Applications SDS-PAGE
 ELISA
 Western blot
Purity > 95 % SDS-PAGE.
 Purified by chromatography under denaturing conditions.
Form Lyophilised

Preparation and Storage

Stability and Storage Shipped at 4°C. Store at +4°C.
 Preservative: None
 Constituents: PBS
Reconstitution Reconstitute with PBS or 8M urea to give 0.5mg/ml concentration. After reconstitution in PBS aliquot and store at -20°C. Avoid freeze / thaw cycles. Proteins reconstituted in 8M urea stored at 4°C.

General Info

Relevance

Dobrava virus (DOBV) which can be carried by the yellow-necked field mouse *Apodemus flavicollis* is one of the hantaviruses that can cause severe hemorrhagic fever with renal syndrome in humans. For several hantaviruses, the nucleocapsid (N) protein has proven to be very immunogenic in humans and rodents and even can protect rodents against a virus challenge.

SDS-PAGE showing ab74556 at approximately 50kDa. (2 µg/lane).

SDS-PAGE - Hantavirus Dobrava, strain Slovenia, nucleocapsid protein (His tag) (ab74556)

Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <http://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
