

Product datasheet

Alzheimer brain (human): occipital lobe tissue slides ab4584

Overview

| | |
|----------------------------|---|
| Product name | Alzheimer brain (human): occipital lobe tissue slides |
| General notes | <p>After excision, tissue was fixed in paraformaldehyde and processed to paraffin wax. Tissue sections were cut to a thickness of 5µm and mounted on positively charged glass slides. One tissue from each lot was stained by haematoxylin and eosin (H+E) and then microscopically examined to ensure quality. All tissue is examined / diagnosed by a licensed pathologist and is ethically obtained. Sex and age of the donor is lot dependent. Please enquire.</p> <p>This product is an excellent control for use in immunohistochemistry (IHC) and in-situ hybridization.</p> |
| Tested applications | Suitable for: IHC-P, In situ hybridization |

Properties

| | |
|-----------------------------|---|
| Storage instructions | Store at +4°C. |
| Slide notes | This product is an excellent control for use in immunohistochemistry (IHC) and in-situ hybridization. |

Applications

Our [Abpromise guarantee](#) covers the use of **ab4584** in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

| Application | Abreviews | Notes |
|-----------------------|-----------|--|
| IHC-P | | Use at an assay dependent concentration. |
| In situ hybridization | | Use at an assay dependent concentration. |

Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours

- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <http://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
