#### Overview

Product name Anti-PAPP A antibody

**Description** Rabbit polyclonal to PAPP A

Host species Rabbit

Tested applications Suitable for: IHC-P

**Immunogen** Synthetic peptide within Human PAPP A aa 1350-1450 conjugated to keyhole limpet

haemocyanin. The exact immunogen sequence used to generate this antibody is proprietary information. If additional detail on the immunogen is needed to determine the suitability of the

antibody for your needs, please contact our Scientific Support team to discuss your

requirements.

Database link: Q13219

Reacts with: Mouse

**General notes** 

Species reactivity

The Life Science industry has been in the grips of a reproducibility crisis for a number of years. Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets your needs before purchasing.

If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be

found below, along with publications, customer reviews and Q&As

#### **Properties**

Form Liquid

**Storage instructions** Shipped at 4°C. Store at +4°C short term (1-2 weeks). Upon delivery aliquot. Store at -20°C long

term. Avoid freeze / thaw cycle.

Storage buffer pH: 7.40

Preservative: 0.02% Proclin 300

Constituents: 50% Glycerol (glycerin, glycerine), 1% BSA, 48.98% TBS, 1X

Purity Protein A purified

**Clonality** Polyclonal

**Isotype** IgG

1

#### **Applications**

# The Abpromise guarantee

Our **Abpromise guarantee** covers the use of ab203683 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
IHC-P		1/100 - 1/500.  When using a fluorescent probe the recommended dilution is 1/50 - 1/200

# **Target**

Function	Metalloproteinase which specifically cleaves IGFBP-	4 and IGFBP-5, resulting in release of bound
----------	---	--

IGF. Cleavage of IGFBP-4 is dramatically enhanced by the presence of IGF, whereas cleavage of

IGFBP-5 is slightly inhibited by the presence of IGF.

Tissue specificity High levels in placenta and pregnancy serum. In placenta, expressed in X cells in septa and

anchoring villi, and in syncytiotrophoblasts in the chorionic villi. Lower levels are found in a variety of other tissues including kidney, myometrium, endometrium, ovaries, breast, prostate, bone

marrow, colon, fibroblasts and osteoblasts.

**Sequence similarities** Belongs to the peptidase M43B family.

Contains 5 Sushi (CCP/SCR) domains.

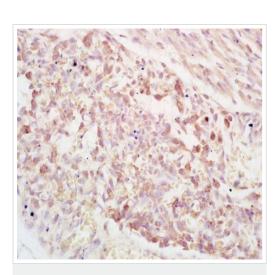

**Developmental stage** Present in serum and placenta during pregnancy; levels increase throughout pregnancy.

Post-translational modifications

There appear to be no free sulfhydryl groups.

Cellular localization Secreted.

Immunohistochemistry (Formalin/PFA-fixed paraffinembedded sections) - Anti-PAPP A antibody (ab203683)

Immunohistochemical analysis of formalin-fixed, paraffin-embedded mouse embryo tissue labeling PAPP A with ab203683 at 1/200 dilution, followed by conjugation to the secondary antibody and DAB staining.

# Our Abpromise to you: Quality guaranteed and expert technical support

- · Replacement or refund for products not performing as stated on the datasheet
- · Valid for 12 months from date of delivery
- · Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- · We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <a href="https://www.abcam.com/abpromise">https://www.abcam.com/abpromise</a> or contact our technical team.

#### Terms and conditions

· Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
