Anti-PLK4 antibody ab137398

1 Abreviews 11 References 2 Images

Overview

Product name Anti-PLK4 antibody

Description Rabbit polyclonal to PLK4

Host species Rabbit

Tested applications Suitable for: ICC/IF

Unsuitable for: IHC-P or WB

Species reactivity Reacts with: Human

Predicted to work with: Cow

Immunogen Recombinant fragment, corresponding to a region within amino acids 614-871 of Human PLK4

(Uniprot ID O00444).

Positive control ICC/IF: 293T and HeLa cells.

General notesThe Life Science industry has been in the grips of a reproducibility crisis for a number of years.

Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets

your needs before purchasing.

If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be

found below, along with publications, customer reviews and Q&As

Properties

Form Liquid

Storage instructions Shipped at 4°C. Upon delivery aliquot. Store at -20°C or -80°C. Avoid freeze / thaw cycle.

Storage buffer pH: 7.00

Preservative: 0.025% Proclin 300

Constituents: 78% PBS, 1% BSA, 20% Glycerol (glycerin, glycerine)

Purity Immunogen affinity purified

Clonality Polyclonal

Isotype IgG

Applications

1

- -

The Abpromise guarantee

Our <u>Abpromise guarantee</u> covers the use of ab137398 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
ICC/IF		1/100 - 1/1000.

Application notes

Is unsuitable for IHC-P or WB.

Target

Function

Serine/threonine-protein kinase that plays a central role in centriole duplication. Able to trigger procentriole formation on the surface of the parental centriole cylinder, leading to the recruitment of centriole biogenesis proteins such as SASS6, CENPJ/CPAP, CP110, CEP135 and gammatubulin. When overexpressed, it is able to induce centrosome amplification through the simultaneous generation of multiple procentrioles adjoining each parental centriole during S phase. Its central role in centriole replication suggests a posible role in tumorigenesis, centrosome aberrations being frequently observed in tumors. Also involved in trophoblast differentiation by phosphorylating HAND1, leading to disrupt the interaction between HAND1 and MDFIC and activate HAND1. Phosphorylates CDC25C and CHEK2/CHK2.

Sequence similarities

Belongs to the protein kinase superfamily. Ser/Thr protein kinase family. CDC5/Polo subfamily.

Contains 1 POLO box domain.
Contains 1 protein kinase domain.

Post-translational modifications

Ubiquitinated; leading to its degradation by the proteasome.

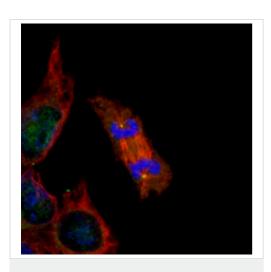

Tyrosine-phosphorylated by TEC.

Cellular localization

Cytoplasm > cytoskeleton > centrosome > centriole. Nucleus > nucleolus. Cleavage furrow. Associates with centrioles throughout the cell cycle. According to PubMed:16244668, it is not

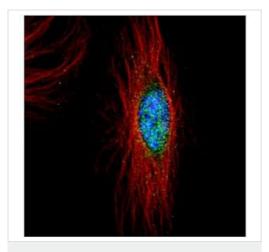

present at cleavage furrows.

Immunocytochemistry/ Immunofluorescence - Anti-PLK4 antibody (ab137398)

Immunocytochemical analysis of methanol-fixed 233T cells labelled with ab137398 at 1/500 dilution (Green). Alpha-tubulin filaments labeled (Red). Fluoroshield with DAPI (Blue).

Immunocytochemistry/ Immunofluorescence - Anti-PLK4 antibody (ab137398)

Immunofluorescence analysis of methanol-fixed HeLa cells labelled with ab137398 at 1/500 dilution (Green). Alpha-tubulin filaments labeled (Red).

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

Our Abpromise to you: Quality guaranteed and expert technical support

- · Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

· Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
