Product datasheet

1,10-Phenanthroline ab141196

Overview

Product name 1,10-Phenanthroline
Description Membrane permeable chelating agent. Metalloprotease inhibitor.
Biological description Membrane permeable chelating agent. Metalloprotease inhibitor. Chelates intracellular heavy metals including zinc, copper and iron. Binds DNA and modulates multiple signaling pathways in vitro and in vivo.
Purity > 99%

Properties

Chemical name 1,10-Phenanthroline
Molecular weight 180.21
Chemical structure

Molecular formula C_{12}H_8N_2
CAS Number 66-71-7
PubChem identifier 1318
Storage instructions Store at Room Temperature. Store under desiccating conditions. The product can be stored for up to 12 months.
Solubility overview Soluble in DMSO to 100 mM and in ethanol to 100 mM
Handling Wherever possible, you should prepare and use solutions on the same day. However, if you need to make up stock solutions in advance, we recommend that you store the solution as aliquots in tightly sealed vials at -20°C. Generally, these will be useable for up to one month. Before use, and prior to opening the vial we recommend that you allow your product to equilibrate to room temperature for at least 1 hour. Toxic, refer to SDS for further information. Need more advice on solubility, usage and handling? Please visit our frequently asked questions (FAQ) page for more details.
SMILES c1ccn3c1ccc2ccnc23
Source Synthetic
Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE, NOT FOR USE IN HUMANS"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
- Abcam biochemicals are novel compounds and we have not tested their biological activity in house. Please use the literature to identify how to use these products effectively. If you require further assistance please contact the scientific support team
