20x PBS buffer with Tween 20 ab64247

2 References

Overview

Product name	20x PBS buffer with Tween 20
Tested applications	Suitable for: IHC-P
General notes	<p>Phosphate Buffered Saline (PBS) with Tween 20 wash buffer for use during immunolabeling techniques such as IHC.</p> <p>In order to provide this product at 20x, the salts in solution are at a very high concentration. It has been found that at temperatures below 44 degrees F (6 degrees C), the salts fall out of solution. If this occurs during your shipment conditions, please stir the product to get the salts back into solution.</p>

Properties

Form	Liquid
Storage instructions	Store at room temperature.
Storage buffer	<p>pH: 6.50</p> <p>Constituents: PBS, 1% Tween</p> <p>20x concentrated.</p>
Relevance	PBS (Phosphate Buffered Saline) and Tween 20 are used as a wash buffer in immunolabeling techniques. Tween 20 is added to promote more effective washings, resulting in decreased non-specific background staining. Tween 20 is also known to promote reagent spreading in automated staining methodologies.

Applications

The Abpromise guarantee Our [Abpromise guarantee](#) covers the use of ab64247 in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
IHC-P		Use at an assay dependent dilution.

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours

- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
