**Overview**

**Product name**

20x TBS-T with Tween 20

**Tested applications**

Suitable for: IHC-P

**General notes**

Tris Buffered Saline (TBS) wash buffer with Tween 20 for use during immunolabeling techniques such as IHC.

The salts in 20x solution are at a very high concentration. It has been found that at temperatures below 44 degrees F (6 degrees C), the salts fall out of solution. If this occurs during your shipment conditions, please stir the product to get the salts back into solution.

**Properties**

**Form**

Liquid

**Storage instructions**

Store at room temperature.

**Storage buffer**

pH: 7.50

Constituents: 99% Tris buffered saline (x20), 1% Tween

Note: 20x Concentrated

**Relevance**

TBS is a solution of Tris Buffered Saline for use with immunolabeling techniques as a wash buffer. Tween 20 is sometimes added to promote more effective washings, resulting in decreased non-specific background staining. Tween 20 is also known to promote reagent spreading in automated staining methodologies.

**Applications**

Our Abpromise guarantee covers the use of ab64204 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
