

Product datasheet

Anti-BCA225 antibody [CU18] ab3360

1 References

Overview

| | |
|----------------------------|--|
| Product name | Anti-BCA225 antibody [CU18] |
| Description | Mouse monoclonal [CU18] to BCA225 |
| Host species | Mouse |
| Tested applications | Suitable for: IHC-P, IHC-Fr |
| Species reactivity | Reacts with: Human |
| Immunogen | BCA 225 protein secreted by the T47D (Clone 11) human breast carcinoma cellline. |
| Positive control | Breast carcinoma (human). |

Properties

| | |
|-----------------------------|---|
| Form | Liquid |
| Storage instructions | Shipped at 4°C. Store at +4°C short term (1-2 weeks). Store at -20°C or -80°C. Avoid freeze / thaw cycle. |
| Storage buffer | Constituent: 1% BSA |
| Purity | IgG fraction |
| Clonality | Monoclonal |
| Clone number | CU18 |
| Isotype | IgG1 |

Applications

Our [Abpromise guarantee](#) covers the use of **ab3360** in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

| Application | Abreviews | Notes |
|-------------|-----------|-------|
| IHC-P | | |
| IHC-Fr | | |

| | |
|--------------------------|-----------------------------|
| Application notes | Immunohistochemistry: 1/40. |
|--------------------------|-----------------------------|

Not tested in other applications.

Optimal dilutions / concentrations should be determined by the end user.

Antigen retrieval is not essential, although may be beneficial.

Strong intracytoplasmic staining is seen in primary and metastatic breast carcinoma tissue, as well as in cervical carcinomas. Apical/glycocalyx staining is seen in normal kidney, lung, fallopian tube, liver, skin (eccrine sweat glands) and uterus.

Similar staining patterns are observed in lung, ovarian, and endometrial cancers.

Carcinomas of the colon, stomach, prostate, urinary bladder, liver, pancreas, thyroid, and parotid are negative, as are sarcomas and lymphoid cancers.

Target

Relevance BCA225 is a 225 kDa glycoprotein secreted by the T47D breast carcinoma cell line.

Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours

- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
