Product datasheet

Arbidol hydrochloride, Indole-based antiviral and anti-inflammatory agent ab145693

Overview

Product name
Arbidol hydrochloride, Indole-based antiviral and anti-inflammatory agent

Description
Broad-spectrum indole-based antiviral and anti-inflammatory used for influenza infection treatment

Biological description
Broad-spectrum indole-based antiviral that has demonstrated activity against a number of enveloped and non-enveloped viruses. Used clinically to treat influenza. Inhibits fusion between the viral capsid and the cell membrane of the target cell, thus preventing viral infection. Displays anti-inflammatory activity.

Purity
> 99%

CAS Number
131707-23-8

Chemical structure

![Chemical structure](image)

Properties

Molecular weight
513.88

Molecular formula
C_{22}H_{25}BrN_{2}O_{3}S.HCl

Storage instructions
Store at -20°C. Store under desiccating conditions. The product can be stored for up to 12 months.

Solubility overview
Soluble in DMSO to 100 mM and in ethanol to 25 mM

Handling
Wherever possible, you should prepare and use solutions on the same day. However, if you need to make up stock solutions in advance, we recommend that you store the solution as aliquots in tightly sealed vials at -20°C. Generally, these will be useable for up to one month. Before use, and prior to opening the vial we recommend that you allow your product to equilibrate to room temperature for at least 1 hour.

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours

- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
- Abcam biochemicals are novel compounds and we have not tested their biological activity in house. Please use the literature to identify how to use these products effectively. If you require further assistance please contact the scientific support team
