HRP Anti-Bovine Serum Albumin antibody ab7637

3 Abreviews 1 References

Overview

Product name	HRP Anti-Bovine Serum Albumin antibody
Description	HRP Rabbit polyclonal to Bovine Serum Albumin
Host species	Rabbit
Conjugation	HRP
Tested applications	**Suitable for:** ELISA, IHC-Fr, Dot blot, Immunomicroscopy, WB
Species reactivity	**Reacts with:** Cow
Immunogen	Full length native Albumin (purified).
General notes	The Life Science industry has been in the grips of a reproducibility crisis for a number of years. Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets your needs before purchasing. If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be found below, along with publications, customer reviews and Q&As

Properties

Form	Liquid
Storage instructions	Store at +4°C. Store In the Dark.
Storage buffer	Preservative: 0.01% Gentamicin sulphate Constituents: 1% Polyethylene glycol, 0.42% Potassium phosphate, 0.87% Sodium chloride
Purity	IgG fraction
Purification notes	This product is an IgG fraction antibody purified from monospecific antiserum by a multi-step process which includes delipidation, salt fractionation and ion exchange chromatography followed by extensive dialysis.
Clonality	Polyclonal
Isotype	IgG

Applications

The Abpromise guarantee Our **Abpromise guarantee** covers the use of ab7637 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
ELISA		Use at an assay dependent concentration.
IHC-Fr		Use at an assay dependent concentration.
Dot blot		Use at an assay dependent concentration.
Immunomicroscopy		Use at an assay dependent concentration.
WB	★★★★☆ (3)	Use at an assay dependent concentration.

Target

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit **https://www.abcam.com/abpromise** or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
