L-Mimosine, non-protein amino acid ab145861

Overview

Product name: L-Mimosine, non-protein amino acid
Description: Non-protein amino acid that acts as an iron chelator.
Biological description: Toxic non-protein amino acid originally isolated from Mimosa pudica. Arrests the cell cycle at the G1 phase in PC-3 cells and at the S phase in LNCaP cells, thus attenuating cell proliferation. Blocks cell cycle progression by chelating iron in asynchronous MDA-MB-453 human breast cancer cells. Arrests DNA synthesis by inhibiting deoxyribonucleotide metabolism. Prolyl hydroxylase (PHD) inhibitor stimulating VEGF production, and increasing proangiogenic capacity in dental pulp-derived cells.
Purity: > 99%

Properties

Chemical name: (S)-2-Amino-3-(3-hydroxy-4-oxopyridin-1(4H)-yl)propanoic acid
Molecular weight: 198.18
Chemical structure:

![Chemical structure](image)

Molecular formula: C₈H₁₀N₂O₄
CAS Number: 500-44-7
Storage instructions: Store at -20°C. Store under desiccating conditions. The product can be stored for up to 12 months.
Handling: Whenever possible, you should prepare and use solutions on the same day. However, if you need to make up stock solutions in advance, we recommend that you store the solution as aliquots in tightly sealed vials at -20°C. Generally, these will be useable for up to one month. Before use, and prior to opening the vial we recommend that you allow your product to equilibrate to room temperature for at least 1 hour.

Source: Synthetic
Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE, NOT FOR USE IN HUMANS"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
- Abcam biochemicals are novel compounds and we have not tested their biological activity in house. Please use the literature to identify how to use these products effectively. If you require further assistance please contact the scientific support team
