# Product datasheet

## Anti-PDGFR alpha antibody [APA5] ab90967

**Product name**: Anti-PDGFR alpha antibody [APA5]

**Description**: Rat monoclonal [APA5] to PDGFR alpha

**Host species**: Rat

**Tested applications**: Suitable for: WB, IHC-Fr, Flow Cyt

**Species reactivity**: Reacts with: Mouse

**Immunogen**: Fusion protein corresponding to Mouse PDGFR alpha (extracellular). Fusion protein containing the extracellular domain of Mouse PDGF Receptor alpha and the Fc portion of Human IgG1 purified from the culture supernatant of transfected COS1 cells

**Positive control**: NIH3T3 cells

## Applications

Our Abpromise guarantee covers the use of ab90967 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.
Flow Cyt: Use 1µg for 10^6 cells in a 100 µl total staining volume.

IHC-Fr: Use at an assay dependent dilution.

Not yet tested in other applications.
Optimal dilutions/concentrations should be determined by the end user.

Target

Function
Receptor that binds both PDGFA and PDGFB and has a tyrosine-protein kinase activity.

Tissue specificity
Expressed in primary and metastatic colon tumors and in normal colon tissue. Tumors may express a different isoform to that found in normal tissue.

Involvement in disease
Note=A chromosomal aberration involving PDGFRα is found in some cases of hypereosinophilic syndrome. Interstitial chromosomal deletion del(4)(q12q12) causes the fusion of FIP1L1 and PDGFRA (FIP1L1-PDGFRA).

Sequence similarities
Belongs to the protein kinase superfamily. Tyr protein kinase family. CSF-1/PDGF receptor subfamily.
Contains 5 Ig-like C2-type (immunoglobulin-like) domains.
Contains 1 protein kinase domain.

Cellular localization
Membrane.

Images

Staining of NIH/3T3 cells with 0.5 µg Rat IgG2a control antibody (open histogram) or 0.5 µg of ab90967 (colored histogram) followed by Biotin Anti-Rat IgG secondary antibody. Total viable cells were analysed.

Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE"

Our Abpromise to you: Quality guaranteed and expert technical support
• Replacement or refund for products not performing as stated on the datasheet
• Valid for 12 months from date of delivery
• Response to your inquiry within 24 hours
• We provide support in Chinese, English, French, German, Japanese and Spanish
• Extensive multi-media technical resources to help you
• We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

• Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
