Phleomycin, Glycopeptide antibiotic ab143437

Overview

Product name: Phleomycin, Glycopeptide antibiotic
Description: Glycopeptide antibiotic
Biological description: Glycopeptide antibiotic. Intercalates into bacterial DNA inducing double strand breaks and cell death.
Purity: > 97%
CAS Number: 11006-33-0
Chemical structure:

Properties

Molecular weight: 1326.38
Molecular formula: C_{51}H_{75}N_{17}O_{21}S_{2}
PubChem identifier: 72511
Storage instructions: Store at +4°C. The product can be stored for up to 12 months.
Solubility overview: Soluble in water to 5 mM
Handling: Wherever possible, you should prepare and use solutions on the same day. However, if you need to make up stock solutions in advance, we recommend that you store the solution as aliquots in tightly sealed vials at -20°C. Generally, these will be useable for up to one week. Before use, and prior to opening the vial we recommend that you allow your product to equilibrate to room temperature for at least 1 hour.

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
- Abcam biochemcials are novel compounds and we have not tested their biological activity in house. Please use the literature to identify how to use these products effectively. If you require further assistance please contact the scientific support team
