### Product datasheet

# Human Lactoferrin ELISA Kit (HLF2) ab108882

18 References 2 Images

Overview

**Precision** 

Product name Human Lactoferrin ELISA Kit (HLF2)

**Detection method**Colorimetric

Sample	n	Mean	SD	CV%
Overall				3.5%

Inter-assay

Intra-assav

Sample	n	Mean	SD	CV%
Overall				9.8%

Sample type Cell culture supernatant, Saliva, Milk, Urine, Serum, Plasma, Tissue, Cell Lysate, Cerebral Spinal

Fluid

Assay type Sandwich (quantitative)

**Sensitivity** = 0.17 ng/ml

**Range** 0.313 ng/ml - 20 ng/ml

**Recovery** = 96 %**Assay time** 4h 00m

Assay duration Multiple steps standard assay

Species reactivity Reacts with: Human

Product overview Lactoferrin (HLF2) Human in vitro ELISA (Enzyme-Linked Immunosorbent Assay) kit is designed

for the quantitative measurement of Lactoferrin levels in Human cell culture supernatants, serum,

urine, saliva, milk, cerebrospinal fluid and plasma.

A Lactoferrin specific antibody has been precoated onto 96-well plates and blocked. Standards or test samples are added to the wells and subsequently a Lactoferrin specific biotinylated detection antibody is added and then followed by washing with wash buffer. Streptavidin-Peroxidase Conjugate is added and unbound conjugates are washed away with wash buffer. TMB is then used to visualize Streptavidin-Peroxidase enzymatic reaction. TMB is catalyzed by Streptavidin-Peroxidase to produce a blue color product that changes into yellow after adding acidic stop solution. The density of yellow coloration is directly proportional to the amount of

1

Lactoferrin captured in plate.

Get results in 90 minutes with Human Lactoferrin ELISA Kit (<u>ab200015</u>) from our SimpleStep ELISA<sup>®</sup> range.

The entire kit may be stored at -20°C for long term storage before reconstitution - Avoid repeated freeze-thaw cycles.

**Platform** 

Microplate

#### **Properties**

#### Storage instructions

Store at -20°C. Please refer to protocols.

Components	1 x 96 tests
100X Streptavidin-Peroxidase Conjugate	1 x 80µl
10X Diluent N Concentrate	1 x 30ml
20X Wash Buffer Concentrate	2 x 30ml
50X Biotinylated Human Lactoferrin Antibody	1 x 120µl
Chromogen Substrate	1 x 7ml
Lactoferrin Microplate (12 x 8 well strips)	1 unit
Lactoferrin Standard	1 vial
Sealing Tapes	3 units
Stop Solution	1 x 11ml

#### **Function**

Transferrins are iron binding transport proteins which can bind two Fe(3+) ions in association with

the binding of an anion, usually bicarbonate.

Lactotransferrin has antimicrobial activity which depends on the extracellular cation concentration. Lactoferroxins A, B and C have opioid antagonist activity. Lactoferroxin A shows preference for mu-receptors, while lactoferroxin B and C have somewhat higher degrees of preference for kappa-receptors than for mu-receptors.

The lactotransferrin transferrin-like domain 1 functions as a serine protease of the peptidase S60 family that cuts arginine rich regions. This function contributes to the antimicrobial activity.

#### Sequence similarities

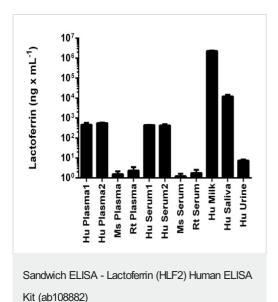

Belongs to the transferrin family.

Contains 2 transferrin-like domains.

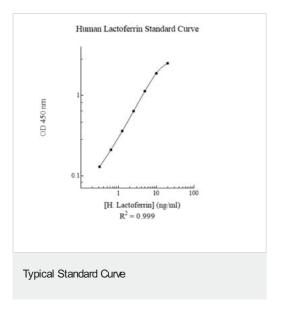

#### **Cellular localization**

Secreted.

#### **Images**

Lactoferrin measured in biological fluids with background signal subtracted (duplicates +/- SD).

Representative Standard Curve Using ab108882.

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

#### Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- · Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <a href="https://www.abcam.com/abpromise">https://www.abcam.com/abpromise</a> or contact our technical team.

## Terms and conditions

• Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
