## Product datasheet

## Human EGF Matched Antibody Pair Kit ab218186

Recombinant

## 2 Images

#### Overview

Product name Human EGF Matched Antibody Pair Kit

Detection method Colorimetric
Assay type ELISA set
Sensitivity 0.16 pg/ml

**Range** 0.97 pg/ml - 62.5 pg/ml

Species reactivity Reacts with: Human

Product overview Human EGF Matched Antibody Pair Kits include a capture and a biotinylated detector antibody

pair, along with a calibrated protein standard, suitable for sandwich ELISA. The Matched

Antibody Pair Kit can be used to quantify native and recombinant human EGF.

Optimization of the kit reagents to sample type, immunoassay format or instrumentation may be required. Guidelines for use of this kit in a standard 96-well microplate sandwich ELISA using HRP/TMB system of colorimetric detection is described in this assay procedure for the purposes

of quantification.

Protocol information and tips on the use of the Matched Antibody Pair kits for sandwich ELISA can be found on our **website**. An accessory pack can be purchased which includes buffer reagents required to perform 10 x 96-well plate sandwich ELISAs (**ab210905**).

For additional information on the performance of the antibody pair used in this kit, please see our equivalent SimpleStep ELISA kit <u>ab217772</u>. Please note that while the antibody pair is the same provided in the corresponding SimpleStep ELISA Kit, due to differences in their formulation, this antibody pair cannot be used with the consumables provided with our SimpleStep ELISA Kits.

Tested applications Suitable for: ELISA

**Platform** Reagents

**Properties** 

**Storage instructions** Store at -20°C. Please refer to protocols.

1

Components	5 x 96 tests
Human EGF Capture Antibody	1 x 50μg
Human EGF Detector Antibody	1 x 12.5µg
Human EGF Lyophilized Protein	1 vial

**Function** EGF stimulates the growth of various epidermal and epithelial tissues in vivo and in vitro and of

> some fibroblasts in cell culture. Magnesiotropic hormone that stimulates magnesium reabsorption in the renal distal convoluted tubule via engagement of EGFR and activation of the magnesium channel TRPM6. Can induce neurite outgrowth in motoneurons of the pond snail Lymnaea

stagnalis in vitro (PubMed:10964941).

**Tissue specificity** Expressed in kidney, salivary gland, cerebrum and prostate.

Involvement in disease Hypomagnesemia 4

Sequence similarities Contains 9 EGF-like domains.

Contains 9 LDL-receptor class B repeats.

Post-translational

O-glycosylated with core 1-like and core 2-like glycans. It is uncertain if Ser-954 or Thr-955 is Omodifications

glycosylated. The modification here shows glycan heterogeneity: HexHexNAc (major) and

Hex2HexNAc2 (minor).

**Cellular localization** Membrane.

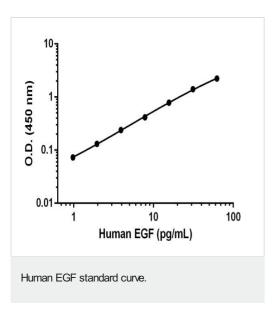

#### **Applications**

Our **Abpromise guarantee** covers the use of ab218186 in the following tested applications. The Abpromise guarantee

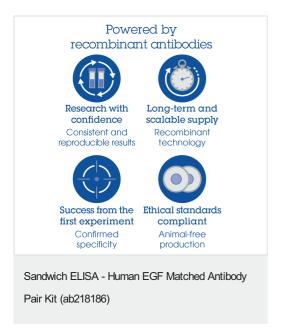

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
ELISA		Use at an assay dependent concentration.

Standard calibration curve. Background subtracted values are graphed.

To learn more about the advantages of recombinant antibodies see **here**.

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

## Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <a href="https://www.abcam.com/abpromise">https://www.abcam.com/abpromise</a> or contact our technical team.

## Terms and conditions

• Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
