Product datasheet

Anti-Apelin antibody - C-terminal ab230536

3 Images

Overview

Product name Anti-Apelin antibody - C-terminal

Description Rabbit polyclonal to Apelin - C-terminal

Host species Rabbit

Tested applications Suitable for: IHC-P, WB

Species reactivity Reacts with: Human

Predicted to work with: Mouse, Rat, Cow

Immunogen Synthetic peptide corresponding to Human Apelin (C terminal) conjugated to keyhole limpet

haemocyanin.

Database link: Q9ULZ1

Positive control WB: HEK-293T and HeLa whole cell lysate. IHC-P: Human testis and lung tissue.

General notesThe Life Science industry has been in the grips of a reproducibility crisis for a number of years.

Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets

your needs before purchasing.

If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be

found below, along with publications, customer reviews and Q&As

Properties

Form Liquid

Storage instructions Shipped at 4°C. Store at +4°C short term (1-2 weeks). Upon delivery aliquot. Store at -20°C long

term. Avoid freeze / thaw cycle.

Storage buffer pH: 7.30

Preservative: 0.01% Sodium azide

Constituents: PBS, 30% Glycerol (glycerin, glycerine)

Purity Immunogen affinity purified

Clonality Polyclonal

Isotype IgG

1

Applications

The Abpromise guarantee

Our <u>Abpromise guarantee</u> covers the use of ab230536 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
IHC-P		1/100. Perform heat mediated antigen retrieval before commencing with IHC staining protocol.
WB		1/500 - 1/1000. Predicted molecular weight: 9 kDa.

Target

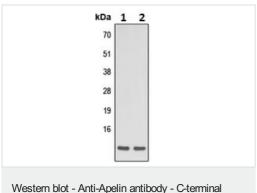

Function	Endogenous ligand for APJ, an alternative coreceptor with CD4 for HIV-1 infection. Inhibits HIV-1	
	entry in cells coexpressing CD4 and APJ. Apelin-36 has a greater inhibitory activity on HIV	
	infection than other synthetic apelin derivatives. The oral intake in the colostrum and the milk could	
	have a role in the modulation of the immune responses in neonates. May also have a role in the	
	central control of body fluid homeostasis by influencing AVP release and drinking behavior.	
Tissue specificity	Expressed in the brain with highest levels in the frontal cortex, thalamus, hypothalamus and	
	midbrain. Secreted by the mammary gland into the colostrum and the milk.	
Sequence similarities	Belongs to the apelin family.	
Post translational	Soveral active populace may be produced by protoclytic processing of the populace procursor	

Post-translational modifications

Several active peptides may be produced by proteolytic processing of the peptide precursor.

Cellular localization Secreted.

Immunohistochemistry (Formalin/PFA-fixed paraffinembedded sections) - Anti-Apelin antibody - C-terminal (ab230536)

Immunohistochemistry (Formalin/PFA-fixed paraffinembedded sections) - Anti-Apelin antibody - C-terminal (ab230536)

Formalin-fixed, paraffin-embedded human lung tissue stained for Apelin using ab230536 at 1/100 dilution in immunohistochemical analysis.

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish

- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

• Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
