Anti-Histone H1 (phospho) antibody ab4270

★★★★★ [1 Abreviews](#) [7 References](#) [2 Images](#)

Overview

Product name	Anti-Histone H1 (phospho) antibody
Description	Rabbit polyclonal to Histone H1 (phospho)
Host species	Rabbit
Tested applications	Suitable for: ICC/IF, Flow Cyt, WB
Species reactivity	Reacts with: Mouse, Human
Immunogen	Hyper-phosphorylated isoform of tetrahymena Histone H1
General notes	<p>The Life Science industry has been in the grips of a reproducibility crisis for a number of years. Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets your needs before purchasing.</p> <p>If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be found below, along with publications, customer reviews and Q&As</p>

Properties

Form	Liquid
Storage instructions	Shipped at 4°C. Store at +4°C short term (1-2 weeks). Upon delivery aliquot. Store at -20°C or -80°C. Avoid freeze / thaw cycle.
Storage buffer	pH: 7.40 Preservative: 0.035% Sodium azide Constituents: 1.3% Tris glycine, 30% Glycerol, 0.667% Sodium chloride
Purity	Protein A purified
Clonality	Polyclonal
Isotype	IgG

Applications

The Abpromise guarantee Our **Abpromise guarantee** covers the use of ab4270 in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
ICC/IF		1/100 - 1/100.
Flow Cyt		Use at an assay dependent concentration. PubMed: 18250156 ab171870 - Rabbit polyclonal IgG, is suitable for use as an isotype control with this antibody.
WB	★★★★★ (1)	Use a concentration of 1 - 2 µg/ml. Detects a band of approximately 32 kDa. Additional proteins at 66 kD and 100 kD were detected. It detected Histone H1 from acid extracts of colcemid treated HeLa cells but not untreated HeLa cells. Acid extracts from colcemid treated and untreated HeLa cell were resolved by electrophoresis, transferred to nitrocellulose and probed with anti-phospho- Histone H1 (2 µg/ml).

Target

Function	Histones H1 are necessary for the condensation of nucleosome chains into higher order structures.
Sequence similarities	Belongs to the histone H1/H5 family. Contains 1 H15 (linker histone H1/H5 globular) domain.
Post-translational modifications	Acetylated at Lys-26. Deacetylated at Lys-26 by SIRT1.
Cellular localization	Nucleus. Chromosome.

Images

Rabbit polyclonal to Histone H1 (phospho) (1/100).

Human neuroblastoma cell line SK-N-SH cultured on coverslips were fixed in 4% paraformaldehyde and then stained with ab4270 (green). The DNA stained with DAPI is shown in red. (100x magnification).

Immunocytochemistry/ Immunofluorescence - Anti-Histone H1 (phospho) antibody (ab4270)

All lanes : Anti-Histone H1 (phospho) antibody (ab4270) at 2 $\mu\text{g/ml}$

Lane 1 : Colcemid treated HeLa cell lysate

Lane 2 : Untreated HeLa cell lysate

Secondary

Lane 1 : Goat anti-rabbit

secondary antibody labeled with HRP

Lane 2 : Goat anti-rabbit

secondary antibody labeled with HRP.

Developed using the ECL technique.

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
