# Anti-HOPX/HOD antibody ab106251

\* ★ ★ ★ ★ ★ ★ 5 Abreviews 1 References 1 Image

Overview

Product name Anti-HOPX/HOD antibody

**Description** Rabbit polyclonal to HOPX/HOD

Host species Rabbit

Tested applications Suitable for: WB

Species reactivity Reacts with: Human

Predicted to work with: Mouse, Rat, Cow, Pig

Immunogen Recombinant full length protein corresponding to Human HOPX/HOD aa 1-73. (BC014225)

Sequence:

MSAETASGPTEDQVEILEYNFNKVDKHPDSTTLCLIAAEA GLSEEETQKW FKQRLAKWRRSEGLPSECRSVTD

Run BLAST with
Run BLAST with

Positive control Human fetal heart tissue lysate.

General notes

The Life Science industry has been in the grips of a reproducibility crisis for a number of years.

Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets

your needs before purchasing.

If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be

found below, along with publications, customer reviews and Q&As

**Properties** 

Form Lyophilized:Reconstitute with 200ul distilled sterile water. Please note that if you receive this

product in liquid form it has already been reconstituted as described and no further reconstitution

is necessary.

**Storage instructions** Shipped at 4°C. Upon delivery aliquot and store at -20°C. Avoid freeze / thaw cycles.

Storage buffer pH: 7.20

Preservative: 0.02% Sodium azide

Constituents: 0.184% Tris glycine, 1% BSA

Purity Protein A purified

**Clonality** Polyclonal

1

### **Applications**

**The Abpromise guarantee** Our <u>Abpromise guarantee</u> covers the use of ab106251 in the following tested applications.

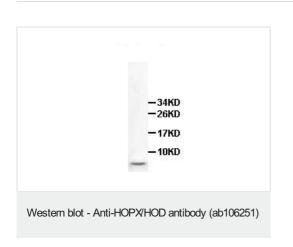

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
WB		1/500 - 1/1000. Detects a band of approximately 8 kDa (predicted molecular weight: 8 kDa).

## **Target**

_		
Function	Atypical homeodomain protein which does not bind DNA and is required to modulate cardiac growth and development. Acts via its interaction with SRF, thereby modulating the expression of SRF-dependent cardiac-specific genes and cardiac development. Prevents SRF-dependent transcription either by inhibiting SRF binding to DNA or by recruiting histone deacetylase (HDAC) proteins that prevent transcription by SRF. Overexpression causes cardiac hypertrophy (By similarity). May act as a tumor suppressor.	
Tissue specificity	Widely expressed. Expressed in the heart, brain, placenta, lung, skeletal and smooth muscles, uterus, urinary bladder, kidney and spleen. Down-regulated in some types of cancer such as lung cancer, choriocarcinoma, head and neck squamous cell carcinoma and oral squamous cell carcinoma.	
Sequence similarities	Contains 1 homeobox DNA-binding domain.	
Cellular localization	Nucleus.	
Form	There are 2 isoforms produced by alternative splicing.

Anti-HOPX/HOD antibody (ab106251) at 1/500 dilution + Human fetal heart tissue lysate

Predicted band size: 8 kDa

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

#### Our Abpromise to you: Quality guaranteed and expert technical support

- · Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- · We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <a href="https://www.abcam.com/abpromise">https://www.abcam.com/abpromise</a> or contact our technical team.

#### Terms and conditions

• Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
