Anti-Intron-encoded endonuclease I-SceI antibody
ab216263

Overview

Product name
Anti-Intron-encoded endonuclease I-SceI antibody

Description
Rabbit polyclonal to Intron-encoded endonuclease I-SceI

Host species
Rabbit

Tested applications
Suitable for: WB, ICC/IF

Species reactivity
Reacts with: Saccharomyces cerevisiae

Immunogen
Recombinant full length protein corresponding to Saccharomyces cerevisiae Intron-encoded endonuclease I-SceI aa 1 to the C-terminus. The immunogen was tagged with a 6xHis tag and an S tag.

Database link: P03882

Positive control
U2OS cells transfected with GFP-SCE1; 293T cells transfected with GFP-SCE1

General notes
The Life Science industry has been in the grips of a reproducibility crisis for a number of years. Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets your needs before purchasing.

If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be found below, along with publications, customer reviews and Q&As

Properties

Form
Liquid

Storage instructions

Storage buffer
Preservative: 0.05% Sodium azide

Purity
Whole antiserum

Clonality
Polyclonal

Isotype
IgG
The Abpromise guarantee

Our Abpromise guarantee covers the use of ab216263 in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Images

All lanes: Anti-Intron-encoded endonuclease I-SceI antibody (ab216263) at 1/2000 dilution

Lane 1: Non-transfected 293T cells lysate
Lane 2: 293T cells transfected with GFP-SCE1 lysate

Lysates/proteins at 40 µg per lane.

Predicted band size: 18 kDa

Immunofluorescent analysis U2OS cells transfected with GFP-SCE1 (Green) labeling SCE1 using ab216263 at 1/600 dilution (red). DAPI staining is showed and the merge figure too

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"
Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
