

# Anti-Pig Whole Serum antibody ab173188

### Overview

---

|                            |   |
|----------------------------|---|
| <b>Product name</b>        | Anti-Pig Whole Serum antibody   |
| <b>Description</b>         | Rabbit polyclonal to Pig Whole Serum  |
| <b>Host species</b>        | Rabbit  |
| <b>Specificity</b>         | The antiserum reacts with multiple proteins in pig serum. This antibody may cross react with serum proteins from other species.   |
| <b>Tested applications</b> | <b>Suitable for:</b> Immunoelectrophoresis, Double Immunodiffusion  |
| <b>Species reactivity</b>  | <b>Reacts with:</b> Pig   |
| <b>Immunogen</b>           | Full length native protein (purified) corresponding to Pig Pig Whole Serum.   |
| <b>General notes</b>       | <p>The Life Science industry has been in the grips of a reproducibility crisis for a number of years. Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets your needs before purchasing.</p> <p>If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be found below, along with publications, customer reviews and Q&amp;As</p> |

### Properties

---

|                             |   |
|-----------------------------|---|
| <b>Form</b>                 | Liquid  |
| <b>Storage instructions</b> | Shipped at 4°C. Upon delivery aliquot. Store at -20°C. Avoid freeze / thaw cycle. |
| <b>Storage buffer</b>       | Preservative: 0.1% Sodium azide<br>Constituent: 99% Whole serum                   |
| <b>Purity</b>               | Whole antiserum   |
| <b>Clonality</b>            | Polyclonal  |
| <b>Isotype</b>              | IgG   |

### Applications

---

**The Abpromise guarantee** Our **Abpromise guarantee** covers the use of ab173188 in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

| Application            | Abreviews | Notes                                    |
|------------------------|-----------|--|
| Immunoelectrophoresis  |           | Use at an assay dependent concentration. |
| Double Immunodiffusion |           | Use at an assay dependent concentration. |

**Please note:** All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

### **Our Abpromise to you: Quality guaranteed and expert technical support**

---

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
  
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.com/abpromise> or contact our technical team.

### **Terms and conditions**

---

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
