## Product datasheet

# Anti-RELM beta antibody ab11429

**5 References** 2 Images

Overview

Product name Anti-RELM beta antibody

**Description** Rabbit polyclonal to RELM beta

Host species Rabbit

**Tested applications** Suitable for: IHC-P

Species reactivity Reacts with: Mouse

Immunogen Recombinant full length protein corresponding to Mouse RELM beta.

Positive control Mouse colon.

General notes

The Life Science industry has been in the grips of a reproducibility crisis for a number of years.

Abcam is leading the way in addressing this with our range of recombinant monoclonal antibodies and knockout edited cell lines for gold-standard validation. Please check that this product meets

your needs before purchasing.

If you have any questions, special requirements or concerns, please send us an inquiry and/or contact our Support team ahead of purchase. Recommended alternatives for this product can be

found below, along with publications, customer reviews and Q&As

**Properties** 

Form Liquid

Storage instructions Shipped at 4°C. Store at +4°C short term (1-2 weeks). Upon delivery aliquot. Store at -20°C.

Avoid freeze / thaw cycle.

**Storage buffer** Preservative: 0.05% Sodium azide

Constituent: 99% PBS

Purity Immunogen affinity purified

**Clonality** Polyclonal

**Isotype** IgG

**Applications** 

The Abpromise guarantee Our Abpromise guarantee covers the use of ab11429 in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

1

Application	Abreviews	Notes
IHC-P		1/100.

## **Target**

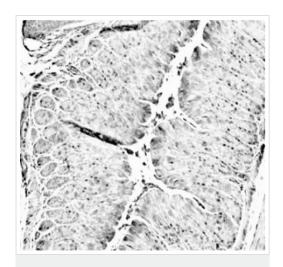

**Function** Probable hormone.

**Tissue specificity** Expressed only in the gastrointestinal tract, particularly the colon.

**Sequence similarities** Belongs to the resistin/FIZZ family.

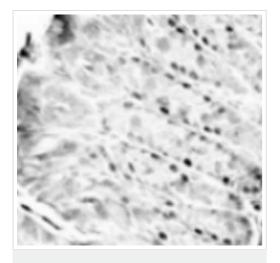

Cellular localization Secreted.

### Our Abpromise to you: Quality guaranteed and expert technical support

- · Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- · We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <a href="https://www.abcam.com/abpromise">https://www.abcam.com/abpromise</a> or contact our technical team.

#### Terms and conditions

· Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
