

Product datasheet

Rat brain tissue lysate - mitochondrial extract ab110348

Overview

Product name	Rat brain tissue lysate - mitochondrial extract
General notes	<p>Product was previously marketed under the MitoSciences sub-brand.</p> <p>2 mg of rat brain mitochondria in 400ul of iso-osmotic buffer. This sample can act as a positive control in immunocapture applications and Blue Native PAGE.</p> <p>1 mg solubilized mitochondria for Immunocapture experiments. For the Immunocapture of OXPHOS complexes it is recommended that 180 µl of the mitochondrial membranes supplied be solubilized by the addition of 20 µl of 10% lauryl maltoside. Insoluble material is removed by centrifugation at 72,000g before immunocapture of complexes from the supernatant.</p>
Tested applications	Suitable for: IP, SDS-PAGE, WB

Properties

Mycoplasma free	Yes
Form	Liquid
Storage instructions	Shipped on dry ice. Upon delivery aliquot and store at -80°C. Avoid freeze / thaw cycles.
Storage buffer	pH: 7.5 Constituents: 0.02% PMSF, 0.16% Tris, 0.89% EDTA, 8.56% Sucrose
Lysate notes	<p>2 mg of rat brain mitochondria in 400ul of iso-osmotic buffer. This sample can act as a positive control in immunocapture applications and Blue Native PAGE.</p> <p>1 mg solubilized mitochondria for Immunocapture experiments. For the Immunocapture of OXPHOS complexes it is recommended that 180 µl of the mitochondrial membranes supplied be solubilized by the addition of 20 µl of 10% lauryl maltoside. Insoluble material is removed by centrifugation at 72,000g before immunocapture of complexes from the supernatant.</p>

Applications

The Abpromise guarantee Our **Abpromise guarantee** covers the use of ab110348 in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Application	Abreviews	Notes
IP		Use at an assay dependent concentration.
SDS-PAGE		Use at an assay dependent concentration.
WB		Use at an assay dependent concentration.

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
