Product datasheet

Anti-PUMA antibody [EP512Y] ab33906

Overview

Product name: Anti-PUMA antibody [EP512Y]
Description: Rabbit monoclonal [EP512Y] to PUMA
Host species: Rabbit
Specificity: This antibody is specific for both the alpha and beta isoforms of PUMA. Isoform B is primarily recognized on Western blot gel.

Tested applications: Suitable for: Flow Cyt, WB, IHC-P, ICC/IF
Species reactivity: Reacts with: Human

Immunogen: Synthetic peptide within Human PUMA aa 150 to the C-terminus (C terminal). The exact sequence is proprietary.
Database link: Q9BXH1
(Peptide available as ab206123)

Positive control: K562 cell lysate, human breast carcinoma tissue, human ovary carcinoma tissue and Hela cells.
General notes: Mouse: We have preliminary internal testing data to indicate this antibody may not react with these species. Please contact us for more information.

Our RabMab® technology is a patented hybridoma-based technology for making rabbit monoclonal antibodies. For details on our patents, please refer to RabMab® patents
This product is a recombinant rabbit monoclonal antibody.

Properties

Form: Liquid
Storage instructions: Shipped at 4°C. Upon delivery aliquot and store at -20°C. Avoid freeze / thaw cycles.

Storage buffer: pH: 7.20
Preservative: 0.01% Sodium azide
Constituents: PBS, 50% Glycerol, 0.05% BSA

Purity: IgG fraction
Clonality: Monoclonal
Clone number: EP512Y
Isotype: IgG
**Applications**

Our Abpromise guarantee covers the use of ab33906 in the following tested applications. The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

**Target**

- **Function**: Essential mediator of p53-dependent and p53-independent apoptosis.
- **Tissue specificity**: Ubiquitously expressed.
- **Sequence similarities**: Belongs to the Bcl-2 family.
- **Cellular localization**: Mitochondrion. Localized to the mitochondria in order to induce cytochrome c release.

**Images**

ab33906 at a 1:250 dilution staining PUMA in Hela cells using Immunocytochemistry/Immunofluorescence.
ab33906 at a 1:100 dilution staining PUMA in human ovary carcinoma using Immunohistochemistry, Paraffin Embedded Tissue.

Anti-PUMA antibody [EP512Y] (ab33906) at 1/5000 dilution + K562 cell lysate.

**Predicted band size:** 21 kDa

**Observed band size:** 18 kDa

why is the actual band size different from the predicted?
ab33906 at a 1:100 dilution staining PUMA in human breast carcinoma using Immunohistochemistry, Paraffin Embedded Tissue.

Overlay histogram showing K562 cells stained with ab33906 (red line). The cells were fixed with 4% paraformaldehyde (10 min) and then permeabilized with 0.1% PBS-Tween for 20 min. The cells were then incubated in 1x PBS / 10% normal goat serum / 0.3M glycine to block non-specific protein-protein interactions followed by the antibody (ab33906, 1/100 dilution) for 30 min at 22°C. The secondary antibody used was DyLight® 488 goat anti-rabbit IgG (H+L) (ab96899) at 1/500 dilution for 30 min at 22°C. Isotype control antibody (black line) was rabbit monoclonal IgG (1µg/1x10^6 cells) used under the same conditions. Acquisition of >5,000 events was performed. This antibody gave a decreased signal in K562 cells fixed with methanol (5 min)/permeabilized with 0.1% PBS-Tween used under the same conditions.

Please note: All products are "FOR RESEARCH USE ONLY AND ARE NOT INTENDED FOR DIAGNOSTIC OR THERAPEUTIC USE"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.
Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
