

Product datasheet

Recombinant mouse Wnt3a protein ab81484

★★★★★ 2 Abreviews 11 References 1 Image

Description

Product name	Recombinant mouse Wnt3a protein	
Biological activity	<p>The ED₅₀ was determined by its ability to induced alkaline phosphatase production by CCL-226 cells.</p> <p>The expected ED₅₀ for this effect is 0.4-0.6 ng/ml.</p>	
Purity	<p>> 75 % SDS-PAGE.</p> <p>Greater than 75% by HPLC analyses.</p>	
Endotoxin level	< 1.000 Eu/μg	
Expression system	Cell Culture	
Accession	P27467	
Protein length	Full length protein	
Animal free	No	
Nature	Recombinant	
Species	Mouse	
Sequence	<pre> SYPIWWSLAVGP QYSSLSTQPI LCASIPGLVP KQLRFCRNYV EIMPSVAEGV KAGIQECQHQ FRGRRWNCTT VSNSLAIFGP VLDKATRESA FVHAIASAGV AFAVTRSCAE GSAAICGCSS RLQGSPGEGW KWGGCSEDIE FGGMVSREFA DARENRPDAR SAMNRHNEA GRQAIASHMH LKCKCHGLSG SCEVKTCWWS QPDFRTIGDF LKDKYDSASE MVVEKHRESR GWVETLRPRY TYFKVPTERD LVYYEASPNF CEPNPETGSF GTRDRTCNSV SHGIDGCDLL CCGRGHNART ERRREKCHCV FHWCCYVSCQ ECTRVYDVHT CK </pre>	
Amino acids	19 to 352	
Additional sequence information	ab81484 is a monomeric glycoprotein containing 334 amino acid residues. This protein is the mature full length (aa19-352), it does not contain the signal peptide from aa 1-18.	

Specifications

Our [Abpromise guarantee](#) covers the use of **ab81484** in the following tested applications.

The application notes include recommended starting dilutions; optimal dilutions/concentrations should be determined by the end user.

Applications	Cell Differentiation SDS-PAGE Cellular Activation HPLC
Form	Lyophilized
Additional notes	Endotoxin level is less than 0.2 ng per µg (2EU/µg). Formulation: Sterile filtered through a 0.2 micron filter. Lyophilized from 10mM Sodium Phosphate, pH 7.5 + 500mM NaCl + 0.5% CHAPS.

Preparation and Storage

Stability and Storage	Shipped at 4°C. Store at 4°C (up to 6 months). The lyophilized protein is stable for a few weeks at room temperature. Upon delivery aliquot. Store at -20°C or -80°C. Avoid freeze / thaw cycle. This product is an active protein and may elicit a biological response in vivo, handle with caution.
Reconstitution	Reconstitute to a concentration of 0.1 mg/mL with ddH ₂ O. Store at 4°C for up to 1 week or dilute further in a buffer containing a carrier protein or stabilizer and store working aliquots at -20°C to -80°C for up to 3 months.

General Info

Function	Ligand for members of the frizzled family of seven transmembrane receptors. Wnt-3 and Wnt-3a play distinct roles in cell-cell signaling during morphogenesis of the developing neural tube.
Tissue specificity	Moderately expressed in placenta and at low levels in adult lung, spleen, and prostate.
Sequence similarities	Belongs to the Wnt family.
Cellular localization	Secreted > extracellular space > extracellular matrix.

Images

Cell differentiation - Recombinant mouse Wnt3a protein (ab81484)

This image is courtesy of Emily Moorefield, Wake Forest Institute for Regenerative Medicine, NC, USA

Human embryonic stem cells (HUES4) were differentiated as monolayer cultures on matrigel coated dishes using a protocol described in Kroon et al, Nat Biotechnol. (2008). Inhibin beta A ([ab50051](#)) and Wnt3a ([ab81484](#)) were added to cultures to direct differentiation towards definitive endoderm. This image was taken 3 days after induction, where the definitive endoderm marker FOXA2 ([ab40874](#) in green) is abundant. Dapi staining is shown in blue. Magnification: 200x. Negative controls of fluorescently conjugated secondary antibodies only showed no staining.

Please note: All products are "FOR RESEARCH USE ONLY. NOT FOR USE IN DIAGNOSTIC PROCEDURES"

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit <https://www.abcam.com/abpromise> or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
