Product datasheet

SMI-4a, ATP-competitive Pim kinase inhibitor ab141367

Overview

Product name SMI-4a, ATP-competitive Pim kinase inhibitor

Description Potent, selective, cell-permeable, ATP-competitive Pim kinase inhibitor

Biological description Potent, selective, cell-permeable, ATP-competitive Pim-1 kinase inhibitor (IC₅₀ = 17 nM).

Moderately potent against Pim-2 kinase. Selective versus a panel of other serine/threonine and tyrosine kinases. Inhibits the growth of myeloid and lymphoid cell lines. Induces cell cycle arrest in

leukemia and prostate cancer cells.

Purity 98%

CAS Number 438190-29-5

Chemical structure

Properties

Chemical name 5-[3-(Trifluoromethyl)benzylidene]-1,3-thiazolidine-2,4-dione

Molecular weight 273.23

Molecular formula C₁₁H₆F₃NO₂S

PubChem identifier 1361334

Storage instructions Shipped at room temperature. Store at -20°C.

Solubility overview Soluble in DMSO to 100 mM and in ethanol to 100 mM with warming

Handling Wherever possible, you should prepare and use solutions on the same day. However, if you need

to make up stock solutions in advance, we recommend that you store the solution as aliquots in tightly sealed vials at -20°C. Generally, these will be useable for up to one month. Before use, and prior to opening the vial we recommend that you allow your product to equilibrate to room

temperature for at least 1 hour.

Our Abpromise to you: Quality guaranteed and expert technical support

- Replacement or refund for products not performing as stated on the datasheet
- · Valid for 12 months from date of delivery
- Response to your inquiry within 24 hours
- We provide support in Chinese, English, French, German, Japanese and Spanish
- Extensive multi-media technical resources to help you
- We investigate all quality concerns to ensure our products perform to the highest standards

If the product does not perform as described on this datasheet, we will offer a refund or replacement. For full details of the Abpromise, please visit https://www.abcam.com/abpromise or contact our technical team.

Terms and conditions

- Guarantee only valid for products bought direct from Abcam or one of our authorized distributors
- Abcam biochemicals are novel compounds and we have not tested their biological activity in house. Please use the literature to identify how to use these products effectively. If you require further assistance please contact the scientific support team
